***we aim to set new
standards of
excellence***

www.sigmaprocurement.com

Our mission is to be the preferred partner for turnkey procurement solutions, delivering exceptional value and reliability to our clients while fostering innovation, sustainability, and growth in every project we undertake.

About Company

We have forged strategic partnerships with reputable manufacturers, suppliers, and service providers worldwide, ensuring access to high-quality products and services at competitive prices.

Sigma Procurement is a pioneering procurement company dedicated to providing comprehensive turnkey solutions for various industries. With a steadfast commitment to excellence, innovation, and reliability, we offer end-to-end procurement services, specializing in manufacturing mechanical components, supplying personal protective equipment (PPE), offering structural design, and delivering electrical services. Our mission is to streamline procurement processes, optimize costs, and ensure the seamless execution of projects for our esteemed clients.

Wide Temple Design

- 90190 — Indoor/outdoor mirror lenses, shiny black frame
90191 — Gray lenses, shiny black frame

- Wide temples for side coverage
- Durable frame construction
- Impact-resistant lenses absorb up to 99.9% UV
- Available carded or with hang-tag
- Meets requirements of ANSI Z87.1-2003 (90190)
- Meets requirements of ANSI Z87.1-2010 (90191)

Dual-lens Design

- 90763 — Blue mirror lenses, glossy black frame

- Anti-scratch coating
- Mirrored lenses
- Available carded or with hang-tag
- Meets the requirements of ANSI Z87.1-2003

Semi-rimless Design

- 90958 — Light silver mirror lenses, black frame, hang-tag
90974 — Light silver mirror lenses, black frame, carded
90959 — Yellow lenses, black frame, hang-tag
90966 — Yellow lenses, black frame, carded

- Semi-rimless design
- Soft nosepiece and adjustable temples
- Anti-scratch coating
- Meets the requirements of ANSI Z87.1-2010 and CSA Z94.3-2007

Wraparound Design

- 90950 — Clear lenses, black frame, hang-tag
90969 — Clear lenses, black frame, carded
90970 — Gray lenses, black frame, carded

- Wraparound design
- Adjustable temples with soft comfort accents
- DX™ anti-fog hard coat helps protect lens from fog, scratching and most chemicals
- Meets the requirements of ANSI Z87.1-2010 and CSA Z94.3-2007

Our Workflow

We prioritize customer satisfaction and strive to build enduring relationships based on trust, transparency, and reliability. Our dedicated team works closely with clients to understand their needs and deliver customized solutions that surpass expectations.

Requirements

Send your requirements through a single request - CAD files, entire BOMs, or part specs

Quotation

We'll provide you with price and lead time options from multiple providers

Order Acceptance

Once mutually beneficial terms are agreed upon, contracts are drafted and finalized.

Delivery & Invoices

Goods are delivered to the client's specified location, and if applicable, installation or assembly services are provided by our team or subcontractors.

PROCUREMENT

Our Terms

We understand that one size does not fit all. That's why we offer tailored procurement solutions designed to meet your specific needs and address the unique challenges you face. Whether it's manufacturing mechanical components, supplying PPE, providing structural design, or delivering electrical services, we have the expertise and resources to support your requirements.

7 DAYS CREDIT FACILITY

30 DAYS CREDIT FACILITY

Goods are delivered to the client's specified location, and if applicable, installation or assembly services are provided by our team or subcontractors.

Thank You!
